13th March 2020

Dear Parent/Carer

At the Options evening I stated that this year I was hoping that the option form for pupils to select the subjects they wish to study at Key Stage 4 would be online, but unfortunately a technical glitch is delaying its use. With the need to progress the process further the options form can be found attached. I have detailed the choices available to your son/daughter. Please complete the form with them by ticking the appropriate choices then sign and date it and return it to me at school before Friday 3rd April 2020. If you prefer you can scan a copy or photograph it and send it to me via e mail at nge@hurworth.swiftacademies.org.uk

We are offering three curriculum paths for Key Stage 4

1. Pupils in current Science groups 9a/ScA, 9a/ScB and 9a/ScC who wish to study Separate Sciences will tick this subject in Column A and then be able to select three subjects from anywhere in Columns B and C.
2. Pupils in Science groups 9a/ScA, 9a/ScB and 9a/ScC who are not choosing to study Separate Sciences and pupils who are in Sets 3 and 4 will tick Combined Science in Column A and then select one from Column B and three subjects from either B or C. Please note to opt for Computer Science and GCSE Engineering you will have to meet the requirements for these courses as outlined in the Options Booklet.
3. Pupils in group 9.5 will tick Combined Science in column A and then choose four subjects from columns B or C. Please note to opt for Computer Science and GCSE Engineering you will have to meet the requirements for these courses as outlined in the Options Booklet.

If you require any guidance with completing the process, please refer to the Options Booklet given out on Options night or contact me directly at school.

Yours sincerely

N Gawthorpe
(Assistant Head Teacher)
