<p>RS</p>	<p>Cook - Christianity:</p> <p>Soul cake, soulmass-cake, or somas loaf are small bread-like cakes distributed on or around All Souls Day which is the 1st of November. The cakes commemorate the souls of the faithful departed as Christians remember those who have died. Once widespread in medieval England, the practice is now limited, but is also continued in other countries. Why not make some to celebrate All Soul's Day?</p> <p>https://holidaypy.com/holidays/Halloween-and-Traditional-Soul-Cakes</p>  <p>Judaism</p> <p>Jewish festivals focus on the family and eating together. Challah bread is a food which features at lots of different festivals including the weekly festival of Shabbat. This festival is a day of rest from work. The idea of a day of rest comes from the Bible story of the Creation: God rested from creating the universe on the seventh day of that first week, so Jews rest from work on the Sabbath. So this bread (and all other food) would be prepared before the festival starts.</p> <p>https://thejewishkitchen.com/classic-challah-2/</p> <p>https://www.jamieoliver.com/recipes/bread-recipes/challah-bread/</p>
