<p>RS</p> 	<p>March 29th is the Hindu festival of Holi. Holi is a Hindu festival that celebrates spring, love, and new life. On the first night of Holi, people light bonfires and throw roasting grains, popcorn, coconut and chickpeas onto them. The next day, people of all ages go into the streets for fun and paint-throwing. Everyone gets involved! Hindus have fun by smearing each other with paint and throwing coloured water. Why not create your own Holi celebration - you could have a fire pit or BBQ at home (with parental supervision) or create a colourful collage with powder paints representing how the murti Krishna threw coloured water at his milkmaids.</p>
