

Music

Elements of music

Some of the new vocabulary we will be learning about in September is listed below. Create a poster around one or more of these and add pictures too. Or, listen to a piece of music and describe it using the correct vocabulary.

- Dynamics - loud and quiet
- Pitch - high and low
- Tempo - fast and slow
- Duration - long and short
- Texture - the different parts/layers in the music

In Year 7 we also look at the 4 families of instruments:

- Strings
- Woodwind
- Brass
- Percussion

See if you can find out some information about an instrument, the family it belongs to and how it is played. Can you find any music which uses this instrument?

I look forward to meeting you all in September!
