

SPANISH

Buenos Dias!

At Hurworth we learn Spanish as a foreign language. In order to help you get a bit of a head start, here are some ideas you can try while you are all unable to come to school.

- ❖ Find a Spanish recipe and see if you can cook it with your parents/carers help- take photos if you can so you can show us in September.
- ❖ Find Spanish songs on YouTube and listen to them - it'll help you to learn certain words and accents.
- ❖ Create a poster about a Spanish speaking country
- ❖ Can you make a poster showing the Spanish alphabet, Spanish numbers 1-100 and Spanish phonics (use Youtube or other online resources to help you with this)
- ❖ Try the *Great Spanish challenge* from the next sheet

Buena suerte!
