

<p>COMPUTING</p>	<p>Research the 2020 data breach which effected several organisations including Microsoft, SolarWinds and VMWARE and governments such as the US and UK. Report your findings to Mr Elliott.</p>
<p>ENGINEERING</p>	<p>STEM Engineering Challenge Make and launch your own paper rocket. https://www.youtube.com/watch?v=0hThMoHB88w</p>
<p>ENGLISH</p>	<p>Go to the following Youtube channel to complete the countdown conundrums. https://www.youtube.com/channel/UC2tvOsIY6hAXD5QuUJg3XyA</p>
<p>GEOGRAPHY</p>	<p>Wildlife Trusts 30 days of Wild challenge. We challenge you to one thing wild a day! https://www.wildlifetrusts.org/30-days-wild-2021-sign-your-pack</p>
<p>HEALTH & SOCIAL</p>	<p>Watch - Promoting Individual Rights - Real examples: Promoting support, choice and independence - YouTube</p>
<p>MUSIC</p>	<p>Research African instruments paying particular attention to how many of these are hand-made. Try making your own African-themed instrument out of everyday items. Make sure you also give it a name! Decorate it to fit in with the African theme.</p>
<p>SCIENCE</p>	<p>Read the story "Super-sniffer rat retires!" and explore other stories on the Left-Handed Lemon Science blog https://scienceblog.swiftacademies.org.uk/2021/06/07/super-sniffer-rat-retires/</p>
<p>SMSC</p>	<p>Pride Month is currently celebrated each year in the month of June to honour the 1969 Stonewall Uprising in Manhattan. This was a series of events between police and LGBTQ+ protesters that stretched over six days. It was not the first time police raided a gay bar, and it was not the first time LGBTQ+ people fought back, but the events that would unfold over the next six days would fundamentally change the nature of LGBTQ+ activism in the United States. There are lots of ways you can show support for the LGBTQ community - make a rainbow collage, share a supportive post on social media or support our fundraising in school by buying a rainbow cookie in the week starting the 21st of June.</p>
