

Vocabulary learning

Online: Memrise, Duolingo, Quizlet

Active practice: Fan-fold/ Write-cover-check- correct/ Flash cards/pyramid spelling/Pictionary/ colour coding/mind map....

Reading

Skim /Scan/ Read for detail/ **Active reading-** check what the task is asking you to do **before** you start

Listening

You will not need to know every word- **use context** and **focus on key words**. If a question is about sports , **ignore non-relevant vocab**.

Speaking

Record your speaking, listen to it while reading the answers to **check your work-** use **visual aids** while learning
Ensure you **know** what you are saying

Writing

Google translate won't do it for you in the exam, so don't do it now.

Make a plan to organise your writing
Have a list of phrases/tenses that you will include as standard (**DORT-** description, opinion, reason, time reference/ another tense)

Getting the answer right

Use what is in the question to start your answer off: change the verb from the "you" to the "I" form and then include the other detail from the question to start off.

Wie **findest** du Musik?
Ich **finde** Musik...

¿Te **gusta** la **música**?
Si, me **gusta** la **música**...

Qu'est-ce que tu **aimes** comme **musique**?
Comme **musique** j' **aime**...

KS 4 Checklist

- **Writing:** answer all bullet points , use at least 3 tenses across your writing
Spellings- read your text from end to start- that way you will spot spelling errors more easily. Include all accents/ Ümlaute
- **L/R/W:** enough information included- look out for "2 details" (use context if you have to guess any answers)
- **Listening:** English question= English answer/ TL question = TL answer; if you miss any information- move on
- **Reading:** English question= English answer/ TL question = TL answer;
Higher marks = more time to spend on the tasks
