Your Relationships

Democracy – everyone has a voice and a right to learn

Lessons

To encourage positive student teacher relationships and learning to take place, it is important whilst you are in lessons you follow the **classroom expectations** at all times:

- Students **must** always follow the instructions of any adults in charge
- Students **must** stand behind chairs in silence at the start of lessons
- Students **must** get out all equipment (including their planner and water bottle) in silence at the start of the lesson
- Students **must** write all ILT in their planners at the start of a lesson. All year groups will use the term 'ILTs'
- You will **NOT** be allowed to go to the toilet in lessons (unless you have a toilet pass)
- Students **must not** leave the room without permission Added this is as it was mentioned at LT on Monday – suggest you go back to corridor passes in September and could then add that in that you must have one
- Bags **must** be placed on the floor, and coats must be placed on the back of students chairs
- Students **must** sit in their allocated seats
- When students are completing individual work they should be working in silence; students should raise their hands and wait before asking or answering
- Students **must not** engage in any conversation that does not centre around subject content
- Students **must not** answer back e.g.
Staff "Get on with your work", Student "I am"
or Staff "Stop talking", student "I wasn't".
- Students **must** adhere to hygiene regulations
- Students **must** be stood behind chairs at the end of each lesson

At the end of each lesson in addition to a uniform check all classrooms will be checked to ensure they are tidy and all equipment has been returned to the correct places.

Tolerance of those of different faiths and beliefs – we celebrate difference

Positive Relationships

- Peer on peer abuse whether physical or verbal is not acceptable at Hurworth School

- We encourage positive relationships and expect pupils to show respect to one another at all times. It is not acceptable to touch someone without the other person's consent
- We expect the whole school community to be welcomed positively no matter what their faith or beliefs
- We celebrate our differences as individuals no matter the person's race, culture, gender or sexuality
- If any student was to discriminate or show any form of peer-on-peer abuse this would be taken very seriously and sanctioned appropriately

Show Respect

Transport

- Think about the safety of all people – you, other students and members of the public. Once you get to school walk to the student entrance behind the fences rather than across the yard
- Respect all property – your property, the belongings of other students and those belonging to members of the public
- Be polite and show respect to others – (saying hello, please and thank you) There should not be any unacceptable language or swearing used at any point
- You must conduct yourself sensibly and enter and leave by the student entrance; whilst the covid 'bubbles' are in place you must make sure that you enter and leave via the correct door for your year group

Students walking to school

- Showing respect to other students, staff and members of the public at all times

Students being dropped off at school and picked up

- You must be dropped off and picked up outside of school unless your parents/carers have a parking pass for the school grounds; these are only issued in specific circumstances.

Students in taxis

- You must respect the driver and follow all safety instructions from the driver; whilst the covid restrictions are in place you should wear a face covering in your taxi at all times unless you are exempt
- Be considerate of the driver and your fellow passengers; remember that the taxi is the driver's workplace
- As soon as you arrive on the yard exit the taxi sensibly and move off the yard behind the fences until it is time for you to go into school

Students on buses (school or public transport)

- Walk sensibly to/from your bus stop ensuring you show respect to other students, staff and members of the public at all times
- Stand at your stop while you are waiting for the bus and do not obstruct the pavement or people going about their day
- Enter the bus one at a time, sit down and follow all safety rules; including wearing a seat belt on school buses
- You must treat the driver with respect at all times and follow all safety instructions from the driver; whilst the covid restrictions are in place you should wear a face covering on your bus at all times unless you are exempt and you must remain in the seat you have been allocated on the seating plan
- Bus passes must be carried and shown to the driver – school staff will also carry out daily checks if you are travelling on a school bus
- If you require a temporary bus pass then whilst the covid restrictions are in place let your form tutor know and they will email the Main Office who will bring you a temporary pass
- Stay seated until the bus stops and exit one at a time at the end of your journey

Before (until 8.45) and after school (3.25)

- In good weather you must stay outside until you are given permission to enter by the staff on duty from 8.45 or the bell rings; you should go straight to your form room and must be there by the time registration starts. While doing this you must ensure you are treating members of staff and peers with respect at all times
- In poor weather you will be permitted to go straight into the building following the other rules of the Charter
- At 3.25 you need to leave the premises or access your taxi/bus home on the yard sensibly; make sure you follow all of the instructions from the staff on duty at the end of the day

Mutual respect – our community welcomes everyone

Moving around the building

It is very important that when moving around the building you are respecting the school premises, property and are showing the up most respect to members of staff and your peers.

- When walking about the school students remain on the left hand side of corridors

- Please try to keep the doors open for the next person behind you in the corridor
- Let visitors and members of staff through the door ahead of you
- Be polite – saying hello, please and thank you. There should not be any unacceptable language or swearing used at any point while in school

Ball Games

It is important that we respect our school, therefore;

- The hard surface at the back of the MFL corridor and the area behind 32, 37, 31 and 30 are ball game free zones. No ball games are allowed in these areas
- No ball games near windows or the school building
- Balls must be carried in the school building
- Respect the members of staff property such as cars – balls should not be hitting these
- If a member of staff stops play for any reason respect the member of staff at all times

If any of the above are broken members of staff have the right to take the ball which will be placed in the office for the remainder of the day. If they are continually broken, then balls may be banned from school.

The rule of law – adults at our school are working hard for our safety and welfare; we respect them

Develop your Resilience

Individual liberty – we have a variety of activities here and everyone is welcome to take part

Resilience is the ability to bounce back from adversity. It is a necessary skill for coping with life's inevitable obstacles and learning to bounce back and to bounce forward is one of the key ingredients to success. There are lots of times in our lives where we may need to use skills of resilience: physical illness, change of school, transitioning from primary school and secondary school or to Post-16 education, change in family make up (divorce, break up), change of friendship group, conflict with peers and conflict with family. Resilient people are comfortable in talking about and expressing a range of emotions.

At Hurworth we believe it is important to give you the opportunity to develop your resiliency skills.

How can you develop your resilience?

- Learn about maintaining relationships, managing risk, making healthy choices, being confident in your identity, how to support diversity and engage in the wider world in your PSHE and SMSC lessons.
- Attend your weekly assemblies with your tutor group and listen to the messages being delivered - **details of these are on the resilience support and information pages in your planner**
- Practise teamwork and communication skills in your lessons.
- Be honest and value honesty in others.
- Listen to the views of others and learn how to respond when you disagree with others.
- Treat others with kindness and show respect to the people and things around you.
- Behave with courtesy and good manners.
- Work towards long term goals and persevere when things are difficult.
- Volunteer your time to support others e.g. through peer mentoring.
- Take part in extra-curricular activities where they are offered.
- Be generous with your time and work for positive change in your community e.g., volunteering for local projects or completing the NCS programme.
- Listen to feedback and take on board constructive comments.
- Be courageous; put yourself forward for a range of activities and opportunities.
- Know who you can rely upon for support and ask for help when you need it.
- Celebrate your hard work and achievements and share your successes.
-

Rewards and Sanctions

- You can receive rewards and sanctions both in and out of lesson time

- The rewards and sanctions you receive are recorded on ClassCharts – **details of these are on the ClassCharts information pages in your planner**
- We use ClassCharts to monitor behaviour trends. Academic and personal development is a journey, we use the analysis of ClassCharts data to reflect on opportunities and support students bouncing back from difficulties.
- Within the classroom students will have many opportunities to be rewarded for a range of positive behaviours such as:

- In unstructured time and as students move to and from school, as well as around the school building there are also opportunities for students to demonstrate positive behaviours and of course be rewarded.
- Alternate weeks will reward the top reward scoring students and most improved students in each form receive a chocolate bar and the 'best' form get the form prize box.
- Weekly activity during morning registration to monitor ClassCharts so students and form tutors aware of any difficulties as they arise. Students record this in the reward planner pages and therefore can and should discuss this at home.
- At the end of each half term the numbers of green clicks correlate with the reward issued; access to events e.g. non uniform day, electronic postcards, physical postcards, amazon gift vouchers etc.
- HOY/mentor will offer additional support if further strategies are needed to encourage resilience.
- Challenge will be offered within curriculum areas but also in terms of student's personal development and allow opportunities to develop further social and emotional resilience through leadership opportunities such as prefects, school council etc.

- Range of internal and external support services which students can ask SS team to make referrals.
